

# RECEIPT FOR PUBLIC REPORT

The Laws and Regulations of the California Real Estate Commissioner require that you as a prospective purchaser or lessee be afforded an opportunity to read the public report for this subdivision before you make any written offer to purchase or lease a subdivision interest or before any money or other consideration toward purchase or lease of a subdivision interest is accepted from you.

In the case of a preliminary or interim public report, you must be afforded an opportunity to read the public report before a written reservation or any deposit in connection therewith is accepted from you.

In the case of a conditional public report, delivery of legal title or other interest contracted for will not take place until issuance of a final public report. Provision is made in the sales agreement and escrow instructions for the return to you of the entire sum of money paid or advanced by you if you are dissatisfied with the final public report because of a material change. (See California Business and Professions Code Section 11012.)
