

Bretton Woods

November 24, 2020

As the holiday approaches, we thought this would be a good time to reach out with an update on Bretton Woods.

We have been in conversations with a number of homebuilders interested in building the homes at Bretton Woods. Each builder has a set of due diligence requirements and we are responding to all their requests.

Our goal is still to have a builder in contract by year's end in order to be in position to start infrastructure construction in the Spring of 2021.

Wishing you a happy, healthy, and heartfelt Thanksgiving.

We continue to update and add to our website. Find answers to popular questions, home designs, articles, and more at:
